It's About Time

Franchise Solution

Overview:

Companies with a franchise like setup, whereby they have multiple stores, offices or remote sites reporting back to a head office or central operations centre.

Process:

- Install Fingerprint or Facial devices at each remote site.
- All devices connect via ADSL or GPRS connection to SBE Cloud Server.
- Transactions are stored on the cloud server.
- Head Office will have the local installed software, and process reports and payslips
